CHD Partners endeavours to assist all of its clients, employers and learners by providing quality training suited to their individual needs.

THIS QUALIFICATION IS FOR:

This qualification reflects the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability.

Work involves implementing community-based programs and activities focusing on mental health, mental illness and psychiatric disability.
Work is undertaken in various community contexts such as community-based non-government organisations; home based outreach; centre-based programs; respite care, residential services, rehabilitation programs, clinical settings or supporting people in employment. Work is carried out autonomously under the broad guidance of other practitioners and professionals.

Prior to entering this program, applicants have an interview to determine their suitability and ensure that this is the most appropriate training program to suit their individual needs and goals. A Language, Literacy and Numeracy test forms part of this process.

Learners should be able to read and write English at approximately grade 12 level with reasonable computer skills.

This course provides you with the skills and knowledge to undertake jobs roles such as:

- Mental Health Worker
- Community Support Worker
- Mental Health Outreach Worker
- Mental Health Rehabilitation Support Worker

RECOGNITION OF PRIOR LEARNING

Work experience or formal qualifications you have may count towards your course. If you have previously undertaken study at a recognised institution or have some relevant work experience, you might gain credit towards specific units in a course; shortening the time you have to study. You can send your application for Credit Transfer or RPL during the enrolment process.

ENTRY REQUIREMENTS

This course is targeted at students who are currently employed in a full time, part-time, or casual capacity. Industries include community-based, non-government organisations, home-based outreach, centre-based, respite care, residential services, rehabilitation programs or supporting people in employment.

There are no pre-requisites for this qualification.

Before entering this program, applicants have an interview to determine their suitability and ensure that this is the most appropriate training program to suit their individual needs and goals. A Language, Literacy and Numeracy test forms part of this process.

Learners should be able to read and write English at approximately grade 12 level with reasonable computer skills.

ASSESSMENT REQUIREMENTS

Learners will be required to complete several tasks for each unit ranging from short response answers to commenting on case studies and participating in group discussions.

Observation of Practical Skills (include verification from Workplace Supervisor)

Workplace Projects and Supplementary Evidence (where required).

STUDENT SUPPORT

Where a student is experiencing difficulty in successfully managing the academic aspects of the program, they may request additional assistance from their trainer. Alternatively, the trainer may also identify a student as being at risk and in need of additional learning support.

The trainer can provide assistance in a number of ways:

- individual coaching session, either in person or via zoom

PAYMENT OPTIONS

If you are looking for a way to save your cash we have recently partnered with ZeeFi with the Study Now Pay Later product.

Study Now Pay Later

Study Now Pay Later removes the financial barrier to enable you to access quality education. Available for courses valued between $500 to $20,000, this flexible, interest-free payment plan allows you to focus on studying first and paying later.

Here's what you get:

- **Affordable access** – You get to study now and pay-off your course with fixed, interest free repayments over time and low monthly fees.
- **Greater course options** – Choose the course you want without worrying about the financial burden of upfront fees. Not covered by government funding? We partner with a range of education providers to remove the stress of course financing.
- **Simple solutions** - We only service the education sector, which means we understand the needs of students working and studying at the same time. You can be granted approval within an hour of submitting your application.

Payment Assist

Don't let the stress of upfront course costs keep you from a quality education. Payment Assist offers you interest-free, fixed payments across an agreed term, with the ability to alter those terms if your circumstances change. Payment Assist solution secures your enrolment and allows you to concentrate on what's most important: your studies.

Here's what you get:

- **Certainty** - Have peace of mind knowing your enrolment is secured without the stress of upfront course costs.
- Interest free - make fixed repayments of principal only - no interest applicable.
- **Simple and flexible** - Apply and manage your application quickly online.
- **Affordable** - Repayments are evenly split into weekly, fortnightly, or monthly payments.

Vocational Loans

Vocational Loans is the affordable payment option for courses that might not be covered by government funding. Available for courses valued between $2,001 to $20,000, Vocational Loans help remove any financial barriers – so you can upskill or advance your career opportunities, regardless of the availability of government funding.

Here's what you get:

- **Affordable payment plans** - Choose a payment plan that aligns with your pay cycle – weekly, fortnightly or monthly
- **Only pay for what you borrow** – We understand that sometimes life gets in the way. If for whatever reason you need to stop studying, only pay for the course fees that you have already used.
- **Take repayment holidays** – If you are ahead of your repayment schedule by up to 3 months, you are eligible for a repayment holiday.
